Bylaws Cleanup Motion (October)

These proposed amendments were announced at the September membership meeting, as well as via our member newsletter. This package requires a $\frac{2}{3}$ vote or a quorum to pass. ([Full Bylaws here](#) - see Article XI):

1. Bylaws currently state that “Jefferson Davis Highway” is the eastern boundary of the DRCA - propose edit to use the new name “Richmond Highway”
2. Section 3.01 of the bylaws refers to a “Business” membership that is not described below like the other memberships (and is not offered) - remove this word
3. Propose editing standing rule #2 to clarify that the board sets location of meetings: The ~~date and time~~ **date, time, and location** for the regularly scheduled meetings shall be determined by the Board at the first meeting in August.
