DEL RAY CITIZENS ASSOCIATION

BRINGING NEIGHBORS TOGETHER

October 26, 2026

To the Traffic and Parking Board,

The Del Ray Citizens Association was happy to see No Turn on Red and Leading Pedestrian Interval proposed for all approaches at the intersection of Glebe Road and Mount Vernon Avenue. This intersection has a dangerous pedestrian history, unfortunately including fatalities.

Our community strongly supports safety interventions in this location, including this proposed change. We look forward to seeing the additional improvements implemented as approved under the Mount Vernon Avenue North Complete Streets program.

Due to the timing of your meeting, we were unable to bring this issue to a full membership vote, but our Traffic Calming Committee did meet to review and voted unanimously in support.

Thank you,

Logan Davis, Traffic Calming Committee Chair
Caitlin Leach, DRCA President
